Economic Shutdown - Food Bank

The New World Order

One Possibility!

In regards to the current economic situation, because of last year's global recession and also the recent economic slowdown a catastrophic global economic crisis has occurred.

After the stock market crashed, all of the financial markets were closed for two weeks. Many were in a state of shock!

Hyperinflation, already a concern in Latin America had begun to affect other economies as well. Because of these concerns regarding hyperinflation and the stock market crash there was total chaos, globally! Everyone panicked so much that there was a run on the banks so all of the banks were forced to close. Some have since reopened. The media and the press had 24/7 coverage of all of this on every tv channel.

Some businesses were forced by the government to temporarily close their doors during which time government employees examined business records to any companies/corporations they wanted. Also, the internet and all social media sites were shut down so they could start a new internet service with only government sanctioned streaming news programs. The reason they said was that it was a necessary evil and we had to accept it.

One could buy a cup of coffee for a million bolivars in Venezuela 2018

Now they're telling us on the daily news reports that some sort of global restructuring is going on behind the scenes involving all of the world's

financial markets, economic blocks, and that everything will be okay. The other day we heard they would be implementing a new global cashless system any day now and when this happens we will no longer be able to use cash. Biometric and rfid systems/alternatives are being installed everywhere. Our hands, fingers and retinas were scanned and recorded for this new biometric system.

Our newly appointed global leader made his first appearance and he somewhat explained our economic situation. Everyone's shocked that all of this has so suddenly come to pass after the recent stock market collapse. It's difficult to believe this is really happening. It's crazy. Everything that the global president says now becomes the law. NWO banners and slogans are showing up everywhere, throughout every neighborhood, street, and city. Massive tv displays are being installed throughout every region and major city. These are easily visible and are currently displaying the daily news reports.

A Common Sight These Days In
A Shopping Center Parking lot!

We all agree martial law has become a reality. U.N. troops, the military police, and the local police have been stationed throughout every city. I never imagined anything like this could happen!
Biometric and rfid identification systems are an everyday part of life. Everything's gone digital overnight. Those who have resisted this new system and are trying to live off the grid are already facing serious problems going about their daily lives.

Just recently there were new policies established for the masses regarding those who haven't gone in and received their biometric identification stating that it's now considered mandatory!

A friend of mine and his family had decided not to be included in the biometric program were on their way to live underground at one of their relatives properties. They were then stopped at one of the many local law enforcement checkpoints. Afterward he and his wife and kids have turned up missing and they haven't been seen or heard from since.

I really hope they haven't been sent to an internment camp!

Living in a global fascist state!

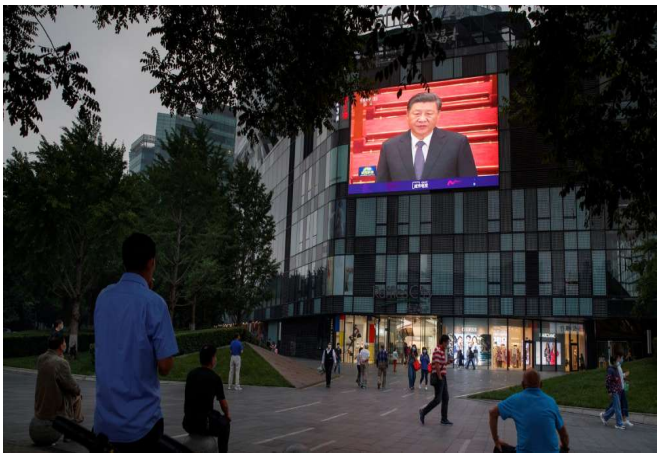
The Future Of Money: Gearing Up For Central Bank Digital Currency

IMF speech made on February 9, 2022



Asian News Program Reports On The Global Economic Collapse And Crisis

Let me start by thanking the Atlantic Council for providing a fitting venue to discuss central banks' forays into Digital Currencies.

Since its founding in 1961, the Council has made important contributions to strategic, political, and economic policy debates. Those debates have served us well, helping us to test the boundaries of our thinking and be better prepared for what lies ahead.

So, today, we aim to test our thinking again. We have moved beyond conceptual discussions of CBDCs and we are now in the phase of experimentation. Central banks are rolling up their sleeves and familiarizing themselves with the bits and bytes of digital money.

These are still early days for CBDCs and we don't quite know how far and how fast they will go. What we know is that central banks are building capacity to harness new technologies—to be ready for what may lie ahead.

The Goal Of The Illuminati Is A 'New World Order'

The Illuminati's 'Eye In The Triangle'

The perception is that our day-in day-out world is real.

The truth is that this world is a hoax, an elaborate deception spun by an all-powerful Illuminati controlled secret society presided over by the global elite.

The Illuminati call the shots in every major upheaval that they cause.

Their sphere of activity extends over the entire globe.

Their ambition and greed for wealth and power

knows no bounds.

It is also their target to depopulate the globe and maintain a much lower population compared to what we have now.

There are certain methods of subjugation and control which are indispensable to the Illuminati.

One is, of course, complete authority over all financial systems, especially borrowing and lending.

With all banks under their direct supervision.

At the highest level the World Bank decides the fate of countries.

And it is an interesting and amazing fact that both the Federal Reserve Bank and the Bank of England are controlled by these Illuminati dynasties, in spite of the names of these banks.

Bohemian Grove - Owl Shrine. Where powerful men go to meet once yearly.

It has been said that both Abraham Lincoln and John F. Kennedy wanted to change this system.

When A Real Power Move Is To Be Made It Will Be Done Suddenly!

If you want to bring about a "New World Order", you must first crash the current system.

Their Goal Is To Collapse & Sink The Dollar

The Illuminati will never allow their global hegemony to be destroyed.

The expression of this global control has been the US dollar.

They will trigger a global fiat currency meltdown.

All fiat currencies will be attacked and will collapse.

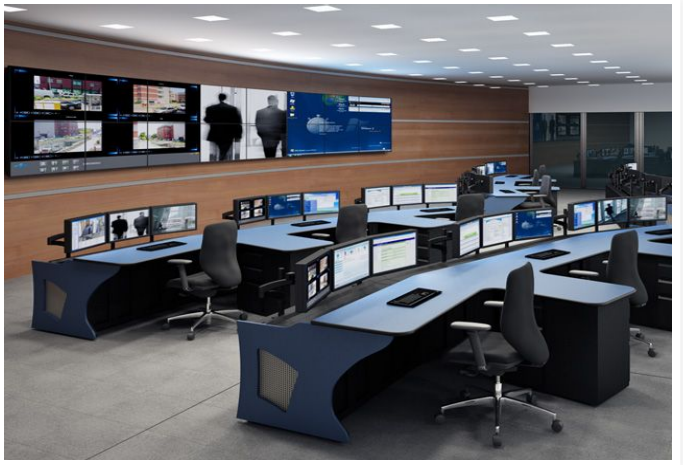
The last currency to collapse will be the US dollar.

They will then bring in a One World Digital Currency under the purview of a World Government.

There's going to be a somewhat prepared response for any controlled opposition, but the need for this is going to be relatively limited since there's not going to be a realistic threat to these Illuminati and their plans.

"We shall have world government whether or not you like it, by conquest or consent." James Warburg to The Senate Foreign Relations Committee, l950

Surveillance Cameras With Computer Chips Or Smart Sensors That Predict And/Or Sense Criminal Activities, Alerts Police



With sophisticated cameras and smart sensor systems, law enforcement agencies and transportation departments across the United States are now able to proactively monitor and respond to crimes or accidents as they unfold; the sensors can also assist transportation departments in analyzing traffic patterns in real time; the system could allow officials to change one way streets, design real time traffic signals, and multiple speed limits to make traffic flow more smoothly.

The East Orange New Jersey police department was the first U.S. agency to install a Smart Imaging Sensor system as part of its broader network of security cameras around the city.

These smart sensors process images that the high-resolution cameras record in real time and can automatically detect and/or predict when a crime is occurring. When it senses something it will alert law enforcement officials instantly.

Government agencies and business around the world have already taken notice of predictive sensors.

Recently, an automated camera system called AIsight (pronounced eyesight), was installed in Boston after the 2013 marathon bombing, that monitors camera feeds in real time and alerts authorities if it spots unusual activity.

AIsight cameras use a statistical method called machine learning to learn what is normal for an area and then alerts on abnormal activity. That could be picking up anything from unusual loitering to activity occurring in restricted areas.

The NWO Dictator

The "Son of Perdition", "Antichrist", "Beast", "Man of Sin", "NWO Dictator"

It is a fact that advocates of the New World Order will attempt to fulfill the world's messianic expectations with an antichrist. 2nd Thessalonians 2:3-4 tells us that the last days will not come until "the man of sin is revealed, the son of perdition," commonly called the Antichrist. He will sit in the Temple in Jerusalem and demand to be worshipped as God. 2nd Thessalonians 2:8 He is also called "the beast," in the Book of Revelation. This tyrannical world dictator will be empowered by Satan and be the embodiment of all that is opposed to God.

Like Hitler the antichrist will "have a mouth that will speak very great things, and his look will be more imposing than his fellows." He will think to change times and laws and is referred to as "The King of fierce countenance" who shall "have an understanding of dark sentences." Daniel 7:20, 25; 8:23 Because of this man all, both small and great, rich and poor, free and slave, will be forced to receive a mark on their right hand or on their foreheads, so that no one may buy or sell except one who has the mark, or the name of the beast, or the number of his name. Rev 13:16-17

This Political Cartoon Has Biden With The Same Physical Defects As The Coming Antichrist! They Are Disclosing To Us Info About The Antichrist!!!

This man will come on the scene and will offer to lead the world into total peace. He will be recognized throughout the world as a man of peace. He will promise to solve the Middle East conflict. He will bring harmony in the ecumenical-ecclesiastical church. He will offer economic solutions to the world's problems. He will arise as a world leader of peace and prosperity and reign exactly three and a half years as the world's greatest dictator.

Beware of when this man appears on the world scene. His leadership will take the world into a Great Tribulation of terror, wars, suffering and death.

Woe to the idol shepherd that leaveth the flock! The sword shall be upon his arm, and upon his right eye: his arm shall be clean dried up, and his right eye shall be utterly darkened. Zechariah 11:17

The Illuminati 'New World Order'

The ILLUMINATI EYE on the Dollar Bill

('Illuminati' means 'enlightened ones'. They believe they have ultimate wisdom and truth. The illuminati have been a closely guarded secret for centuries. The Bavarian Illuminati are going to bring in this 'New World Order'.) Youtube video on "The Illuminati/All Seeing Eye" .

The Illuminati New World Order (NWO) conspiracy is for real.

It is unfortunate, but true.

It would be hard to believe that such an unsavory conspiracy that is so massive, so far reaching and and so dark, has a strangle-hold on humanity's very existence and its way of being.

The Eye Of Horus (Osiris)

If you are wondering if it can be true, read the quotes throughout this page for the words from presidents and world leaders who profess its coming success and its reality.

It has been a plan that has been in development for many generations, and the final chess moves are about to take place.

On October 29, 1929, The Stock Market Crashed. Will it happen again? Will the world this time be rescued by and come under the control of a complete madman?

There are secret societies behind the world's most powerful governments, and the masses are seen as "chattel," animals to be controlled, manipulated, influenced, and used as they see fit.

While you have enjoyed many freedoms in your life, you are not as free as you have thought you were, and the freedoms you have will be fully removed if the New World Order conspiracy has its way.

It is not a conspiracy, really. It is an agenda that is put out in the open.

The New World Order is being established by the Elite of the Elites and consists of the international bankers, top government officials, leaders in the energy cartel and media monopoly owners including the Power Elite of 13 Old Line Families through the years.

This group envisions a one world banking system and currency that will give in to a cashless computer financial system, one world centralized control of global population, global control of the world's environment, economy, trade and army.

But before they fully realize their goals there's going to be more and more false flag operations occurring with new laws being established and security cameras going up everywhere.

A giant step has already been taken in the year 1945 when they drafted and created the United Nations.

These men have unbelievable power and they have spelled out their agenda in advance.

Security cameras in N.Y. city.

That global agenda is constructed around six goals.

Goal #1 : The establishment of international economic order (cashless society)

Goal #2: The establishment of a one-world government

Goal #3 : The conquest and subjugation of two super powers (USA and USSR)

The NYSE. The world's largest stock exchange market. US stocks plunge amid Wall Street crisis - 29 Sept 08. A crash was so close to happening again.

Time Magazine 13 Oct. 2008

Goal #4: The ascension of the United States of Europe as the dominant nation in a Confederated one-world government

Goal #5: The ushering in of a supreme world leader to preside over the new unified one-world government

Goal #6 : The establishment of a one-world religion which will coordinate all the world's religions, cults, faith groups and spiritual beliefs under the guidance of Supreme Pontiff

The method by which these are going to be brought about will most likely be either a manufactured GLOBAL ECONOMIC DEPRESSION, THIRD WORLD WAR, or MAYBE BOTH. It has been said that Albert Pike or the Freemasons have established a plan long ago that calls for Three Major World Wars that they will use to bring about their Masonic goal of a NEW WORLD ORDER.

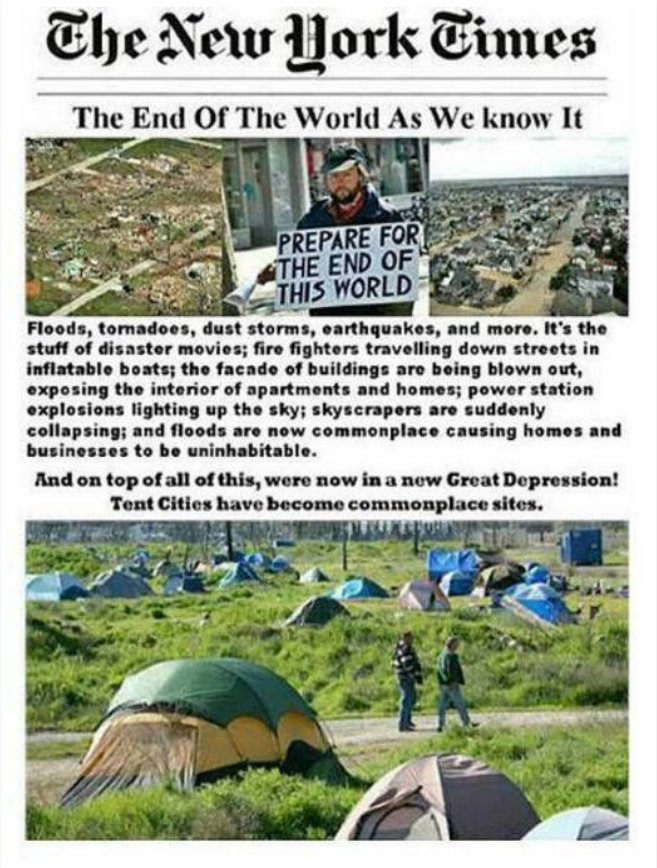
It's The End Of The World As We Know It



The New York Times

The End Of The World As We know It

Floods, tornadoes, dust storms, earthquakes, and more. It's the stuff of disaster movies; fire fighters travelling down streets in inflatable boats; the facade of buildings are being blown out, exposing the interior of apartments and homes; power station explosions lighting up the sky; skyscrapers are suddenly collapsing; and floods are now commonplace causing homes and businesses to be uninhabitable.

And on top of all of this, were now in a new Great Depression!
Tent Cities have become commonplace sites.

Now The End Begins!

Close your eyes and imagine a world without electricity and modern conveniences: no Fox News, no Facebook, no email, no Blackberry, no cold drinks, no heat in the winter, no automobiles, no food and no way to cook it even if you had it.

It's just become the end of the world as we know it.

Are you and your family going to survive?

Ours is a world of steaming hot lattes on demand, ice-cold beer in the twinkling of an eye, and internet and phone connections in a nanosecond.

We are the ultimate immediate gratification society.

And what would happen if ....

The dollar bought nothing

A virus could not be cured

Terrorists exploded nuclear bombs across the country

Hurricanes, tornadoes, earthquakes and volcanic activity all became more prevalent

"He [President Nixon] spoke of the talks as a beginning, saying nothing more about the prospects for future contacts and merely reiterating the belief he brought to China that both nations share an interest in peace and building 'A New World Order.'" - Excerpt from an article in The New York Times - 1972

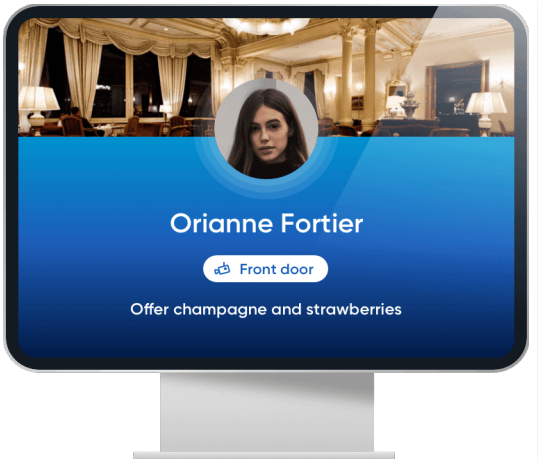
CyberExtruder's 2D to 3D Face Patent

CyberExtruder is a high tech company that has been given a patent for their process of creating reliable 3D models of a person's face from a single or series of 2D images.

CyberExtruder has announced the release of Aureus 3D Version 5.7. "With Aureus 3D Version 5.7, we've achieved product performance at speeds unprecedented in the industry," says Paul Nicholas, President,

and CEO. "With our 128 byte face template size, the smallest in the industry, we can perform matching on a database of 7.5 billion people (the world population) in 4.69 seconds. With speeds at this level coupled with superior accuracy and scalability, Aureus 3D Version 5.7 will change the industry. There's nothing of its kind anywhere."

Aureus 3D Version 5.7 provides the easy to integrate and easy to deploy high-performance face recognition solution demanded in a wide variety of applications including loss prevention and security, access control, law enforcement and Safe City, and hospitality and gaming. Aureus 3D Version 5.7 is the perfect enhanced video analytic now required by industry leading VMS and PSIM systems.



A proprietary 2D to 3D face modeling technology mitigates the challenges of pose, lighting, and expression in combination with a novel deep neural network architecture that provides enhanced discrimination capability at high speed with low memory requirements. Providing OEM's, solution integrators and end-users with the industry's best facial recognition technology for a broad spectrum of real-world government and commercial applications.

CyberExtruder's 2D-to-3D conversion is certainly an important innovation to the security and biometrics technology industries. Why? It enables better matching between offline photographs and surveillance video. While the matching of "watch list" images against surveillance video has traditionally achieved mixed results as a result of inadequate lighting, angle, expression, etc., this patent could signify a leap forward in terms of the quality and value of 3D facial images.

Research has focused on solutions to solve facial recognition's weakest operational elements – Age, Pose, Illumination and Expression (known as the APIE problem).

The benefits of holistic 3D approach to face recognition are particularly evident when viewed in the context of mitigating errors in face matching due to subject pose (the angle of the person's face relative to the camera) and expression (the person's innate ability to deform their face).

Years of research have been aimed at developing ways in which a computer can not only understand how a human face is composed, but also how to differentiate one face from another. Security features which can now be applied across markets like loss prevention, financial services, law enforcement and security, healthcare, defense and intelligence and a myriad of marketing and customer service applications.

"Let me control a peoples currency and I care not who makes their laws..." Meyer Nathaniel Rothchild in a speech to a gathering of world bankers February 12, 1912. The following year, we subscribed to the

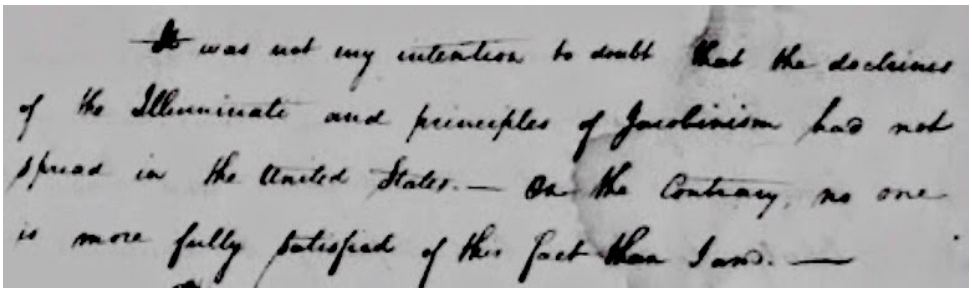
The Illuminati Arrive In America - 1785

(George Washington (1732-1799) Founding Father, 1st US President, 'Father of the Country'. He spoke of the Illuminati in a letter written to the Reverend G. W. Snyder (24 October 1798). He said: "It is not my intention to doubt that the doctrines of the Illuminati and the principles of Jacobinism had not spread to the United States. On the contrary, no one is more fully satisfied of this fact than I am".)



George Washington concerning the Illuminati

Washington issued several warnings shortly before his death, about the Illuminati. Washington knew that the Illuminati, based in Europe, had arrived on American shores. In 1789; John Robison, a Scottish scientist warned all Masonic leaders in America that the Illuminati had infiltrated into their lodges and on July 19, 1789; David Papen, President of Harvard University, issued the same warning to the graduating-class and lectured them on how Illuminism was having an influence on American politics and religion, and to top it off; John Quincy Adams, who had organized the New England Masonic Lodges, issued his warnings.

In 1785, the Columbia Lodge of the Illuminati was established in New York City. Among its members were Governor DeWitt Clinton, Horace Greeley (politician and editor of the New York Daily Tribune), Charles Dana, and Clinton Roosevelt (the ancestor of Franklin D. Roosevelt). Roosevelt wrote a book called Science of Government Founded on Natural Law, in which he wrote: "There is no God of justice to order things aright on earth, if there be a God, he is a malicious and revengeful being, who created us for misery." He referred to himself and other members as the "enlightened ones," and said that the U.S. Constitution was a "leaky vessel" which was "hastily put together when we left the British flag," and therefore needed revision.

In 1786, a lodge was started in Portsmouth, Virginia, where allegedly, Thomas Jefferson was a member; followed by fourteen others in different cities of the thirteen colonies.

In April 1793 France sent new ambassador Edmond Genet to America so he could collect payment for the American debt incurred during the American Revolution. The money was to be used to finance France's war with England. However, his real reason for being here was to gain political favor for France and spread Illuminism, which he did through the establishment of 'Democratic Clubs.'

Washington said of "the clubs" that they "...would shake the government to its foundations."

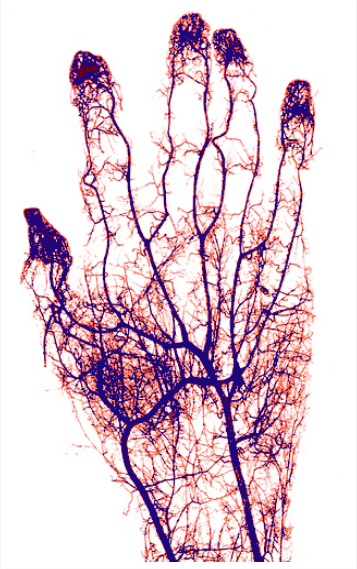
Global Control Through RFID Chips Or With Biometrics



Biometric Hand/Vein Recognition

There is a possible global economic crisis coming that will lead to a financial "melt down" that the elite could use in order to establish a Global Financial Economic System. This would give centralized power to the United Nation's International Monetary Fund and the World Bank, creating a type of "Global Federal Reserve System".

An Inserted RFID Tracking Chip

This is setting the stage for a cashless electronic currency with the use of a high tech surveillance RFID (Radio Frequency Identification) chip to be implanted under one's skin or with biometrics.

The Global Elite, blinded by their thirst for power, orchestrate obtaining total control over the people in the excuse of providing for more transparency; a greater surveillance of the world financial markets, cross border firms, money laundering, terrorist financing, etc...

They believe that they are the only ones capable of governing mankind properly. However, these globalists know very well that people will not easily give up their freedom of the use of cash to accept these "bio-chips" or a biometric system unless there is a worldwide panic, be it financial or maybe even a flu pandemic, etc. to convince the population that the only way not to lose everything is to accept the use of a RFID chip or biometric system.

"If you want a vision of the future, imagine a boot stamping on a human face -- forever." George Orwell author of Nineteen Eighty-Four, a glimpse at a dystopian future where the world is run by totalitarian regimes.

Panoptic Surveillance See-Thru 3D System

A Panoptic Video Surveillance See-Thru 3D System could be loosely described as a formalised, scalable implementation of X-ray vision. The system enables one or more surveillance agents, using a single high resolution, auto-stereoscopic display, to remotely monitor the security situation of an arbitrarily large number of locations at-a-glance.

The system would allow a single agent to monitor thousands of places at the same time without overwhelming them with the massive amount of information being processed and displayed. It enables this by using artificial intelligence to determine what's important to look at.

The surveillance agent's mental load is radically optimized towards monitoring only what is most critical to security: presence and movement of (groups of) people and vehicles inside a campus/site and its buildings as well as any security-sensitive events (such as fires, smoke, badge access, assemblies, gun-shots, people running etc).

Agents can see, hear and transport their focused viewpoint through walls, floors and ceilings, zooming into a specific location to monitor it at a level so acute that it seems beyond the levels of even science fiction.

Designed to enable both wholistic site-wide and granular-level security, the system is ideal for monitoring airports, shipping ports, transit sites and other ports-of-entry, hotels, casinos, shopping malls, campuses, military bases, large buildings and building complexes, offering total situational awareness at a glance.

Jesus Christ? mp3

Whether you believe in a spiritual war or not, you still need Salvation. It is all that will save you when this life on earth is finished.

Do you know beyond the shadow of a doubt where you would go if you died tonight? If not, please consider the following, we pray it's a blessing to you. The Bible says there is only one way to Heaven

Jesus said: "I am the way, the truth, and the life: no man cometh unto the Father but by me." (John 14:6)

Good works cannot save you.

"For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast." (Ephesians 2:8-9)

Trust Jesus Christ today! Here's what you must do:

1. Admit you are a sinner.

2. Be willing to turn from sin (repent).

3. Believe that Jesus Christ died for your sins, was buried, and rose from the dead.

4. Upon believing the gospel, God declares you to be righteous and saves you by his grace.

"God so loved the world that He gave His only Son, so that whoever believes in Him should not perish, but have everlasting life." John 3:16.

"For whosoever shall call upon the name of the Lord shall be saved." Romans 10:13
